

INSTRUCTION MANUAL

BS09111618

I. Installation Notice

1. Install this product only after the completion of house interior decoration in case paint or other chemicals erode product surface.
2. After installation, ensure all the joints are connected well, then hand over to customer.
3. Leave the installation manual to the user.

II. Operation Notice

1. Do not hang heavy things on the product.
2. Regularly clean the surface of faucet to keep it bright. Attention: do not use inappropriate tools such as sharp brushes, rough sponges, scouring pads or corrosive detergent to clean the faucet, and we do not recommend that you use the detergent sold in the market, because its formula is changing frequently. Please clean the faucet by a wet cotton cloth with soapy water, then rinse and dry with a soft cotton cloth after each time of usage.
3. Do not disassemble the product to avoid any damage.
